## **C. Criteria for Substantial Deviation and Significant Amendments**

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

**A change in the PHA mission or a strategic goal will be considered a substantial deviation from the 5-year plan.**

#### **B. Significant Amendment or Modification to the Annual Plan:**

## **Required Attachment B: Membership of the Resident Advisory Board or Boards**

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

**An 20-member Resident Advisory Board was selected to represent a cross section of tenants from the town of Knox, town of Clifton Park, town of Bethlehem, town of Corinth, and town of Waterford. These are small Section 8 only PHAs ranging in program size from 20 units to 59 units, and without combining tenants from these programs into one Resident Advisory Board, it would have been impossible to obtain meaningful representation for each program. The Resident Advisory Board represents just over 10 percent of all tenants for the listed PHAs, and representation on the Board is proportional to the program size of each PHA. Comments were offered by 13 of 20 Resident Advisory Board members resulting in a 65 percent response rate.**

**Although Attachment B requires that members be listed here, no such listing is provided since a large proportion of the members of the Resident Advisory Board submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.**

**Names of Resident Advisory Board members will be released to appropriate HUD official only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.**

## Required Attachment C: Comments of Resident Advisory Board & Explanation of PHA Response (13 out of 20 members offered comments)

Plan Policies	Member Responses		
	Agree	Disagree	No Comment
<b>1. Program Mission</b>  The program's mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local needs.	13	0	0
<b>2. Program Size</b>  There should be a limit on the number of families that can be helped by the program. <ul style="list-style-type: none"> <li>As many families as needed should be helped.</li> <li>As long as funds are available, all in need should be helped.</li> <li>If you have a limit, how would you decide who you would help?</li> <li>Everybody that needs it should be able to try to be helped.</li> </ul>	3	10	0
<b>3. Quality of Service</b>  The quality of service provided to you by our staff is acceptable and there is no need to improve service <ul style="list-style-type: none"> <li>The quality of service provided to my family has been excellent.</li> <li>I have been treated with respect, patience and much care.</li> <li>There is always room for improvement. Service is great.</li> <li>I think staff does an excellent job. They take care of things (problems) very promptly.</li> </ul>	9	4	0
<b>4. Self-Sufficiency</b>  Promoting self-sufficiency by increasing the percentage of employed persons in the program, providing supportive services to assist tenants in gaining employment, and attracting supportive services to increase independence for the elderly or families with disabilities should be goals of the program.	13	0	0

<b>5. Fair Housing</b>	<b>11</b>	<b>1</b>	<b>1</b>
------------------------	-----------	----------	----------

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

- Only if this program is never abused.
- I think they are very fair in this matter, no prejudices have ever been seen, as far as I know.

<b>6. Preferences</b>	<b>9</b>	<b>3</b>	<b>1</b>
-----------------------	----------	----------	----------

In providing assistants to applicants, preference should be given to residents of the community, the elderly, and the disabled.

- I think the order of preference should be, first the elderly, second the disabled, and third the rest of the community.

<b>7. Home Ownership</b>	<b>9</b>	<b>2</b>	<b>2</b>
--------------------------	----------	----------	----------

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

- That would be fantastic! My dream is to own my own home and I don't think I will be able to.
- I agree. But I think there should be a time limit on paying the house payment.
- Not to build a new home unless they have a lot of money themselves. But first you have to agree.

**8. Additional Comments made by Members:**

- The program is the "best". It has helped many families succeed positively.
- I have much gratitude for the assistance I am receiving. It has helped me to have more peace of mind. I truly give thanks.
- I am very grateful for all of the help that Section 8 has provided for me and my son. Thank you.
- I am very grateful for all the assistance I received from you. I think you all do a great job. I think you should do unannounced visits. I live next to a HUD applicant, and her yard is very often a mess, and during school days, her son has been seen in the back yard playing – instead of being I school. She only cleans up when she knows you're coming out to check her. She needs unexpected visits because I believe she is abusing a good thing and she doesn't appreciate what she has.

**With one major exception, members of the Resident Advisory Board that offered opinions agreed with the policies in the plan. There was disagreement on program size with ten of thirteen responses stating that there should not be a limit on program size.**

**Policies concerning the plan mission, quality of service, self-sufficiency, fair housing, and preferences were endorsed by mostly all respondents. Also there was strong interest in a homeownership program.**

**Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Because of the strong interest expressed by members of the Resident Advisory Board in a homeownership program, a regional homeownership program will be undertaken as an alternative to making this program available in small agencies where it would not be financially supportable.**

### **Required Attachment D: Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals**

- **Progress is being made in the initiation of a regional homeownership program.**
- **A Resident Advisory Board has been established and its membership continues to comment on the contents of the annual plan.**
- **Where necessary, outreach to landlords has been increased.**
